Hi Philippe,

Thank for the call. I will coordinate with Jeffrey's assistant for a conference call with Cliff Stein.

I looked through my records: the campaign was paused on November 13th because we still had not received the blog articles and finance website.

I received the blog articles on November 21, a week later, and sent 8 edited articles back on Friday Nov. 23rd, 5 articles on Monday Nov. 25th and 1 remaining on Nov 26th.

I'll get back to you asap about the conference with Cliff.

thank you,
