[REDACTED],

I just spoke to Cliff about this. I need to have our Strategy team put an exact plan together so that I can send you the outline like we did last time. Normally, this does not occur until we receive payment.

I'll be sending you a proposed outline of work. Should any new documented Algorithm updates hit prior to us receiving payment from you, our strategy team may possibly make tweaks to the outline I send you. Please understand that any slight variations in the strategy would be in the interest of providing the best overall results.

I should have an outline for you later this afternoon.

Respectfully,

Philippe Han
