Subject: results

Hi Jeffrey and Tyler,

The results seem to be improving: 4 websites staying on the 1st page.

down to 3 or 2 negatives: huffington, forbes, ny mag.

Huffington finally moved down two places.

I am working on links to the .org site.

The new Wikipedia article was approved. Waiting for that to go live.

Tyler: the sites staying on the 1st page are: I am not touching them:

Science
Foundation
Org
Usvi
