Pablos Holman will not arrive Vegas until Sat. afternoon...he is saying if we have anyone in town earlier than that, maybe they can swing by the Rio and pick up as many badges as are needed for you. Badges should be on sale Thursday and Friday, the line might be pretty long. DEF CON, being a hacker conference, it is cash only at the door. Badges are \$180. Pablos says he would volunteer to do it, but he has a meeting in San Francisco so he won't have time!
