Hi [REDACTED]

I'm submitting it through a few indexing tools to help expedite the process.

We should also reinforce this result with links from some of our stronger properties. I'd also suggest sharing it through our social accounts to add the social signals to the mix. I will be able to help with this in the near future I hope.

PS - the article looks very professional. Nice work [REDACTED]

Best,

Hi Jeffrey,

this is the link to your new Wikipedia article. I'm waiting for the search engines to start picking it up.
