Hi Lesley,

So sorry for the difficulty. I usually got her when I called the main number and did not dial an extension but asked for her from the main operator.

I will try her again today too.

Hi Lesley,

I had sent you the wrong company link! It is:

<http://www.integritydefender.com/>

I spoke to the account manager, Leslie Yeuling, and she confirmed that for high profile individuals, it is a one time fee of \$2,449.

Leslie will start as soon as she gets payment information from you. Her info is below. Her extension is: ext. 722

Thank you!
